

Natural Bio-Destressing

A. Concentrate on a specific feeling and notice its location in your body. On a scale of 1-10 rate how severe is the feeling.

B. Tap the Karate Chop Point, #15, while saying three times: "I totally and completely accept myself, even though I have this (problem, feeling of fear, guilt, anger, etc.)"

C. Stimulate nerve endings 1-15 by tapping with fingertips for a few seconds.* If you feel a lot of energy moving, or the scene is changing, stay on that point till the activity plateaus. If nothing happens on a specific point, move to the next one. Use your intuition about how long to stay on a point.

1. Close eyes
2. Open eyes
3. Look down to one side
4. Look down to the other side
5. Roll eyes around in a circle in one direction
6. Roll eyes around in the other directions
7. Hum a tune
8. Count to 40 by 2's
9. Hum a tune

E. Repeat Step C

F. After every round, recheck how severe is the feeling. It should be gone altogether or very low on the scale. Think about what you learned and what feels or seems different about the situation to you now. If the level of that emotion still seems high, notice what *else* about the situation makes you feel frightened, angry, sad, etc. Focus on that subject and repeat the process.

*At any point, feel free to add deep breathing, pacing back and forth, gently stamping your feet, or massaging or shaking the tension out of your body.

Choose a trauma that you would like to clear. Decide which outline, Loss or Violence, best describes this trauma. Muscle test each line of the appropriate outline and ask if you have unbalanced (i.e. exaggerated, irrational levels) of negative emotion on that line. If so, focus on that feeling or belief, locate it in your body, and treat it with the Natural Bio-Destressing technique.
